

# Jubilee Days Karaoke Contest 2024

4 Judges have been chosen and confirmed. Their position is to judge the singing activities of the contestants.

Any other determinations will be handled by the Karaoke Committee and Jubilee Committee representatives. Hopefully we can avoid the problems we encountered last year by the following simple policies.

## VENUE

1. Entry Fee will be \$100 per Venue. 100% of which is to be put in the prize fund.
2. Venue may send their representatives by way of in-house contest or hand selected.
3. Venue who sends the 1<sup>st</sup> place winner will receive their entry fee back and a Trophy.
4. Venues must provide the names of their contestants at least 2 days prior to the event.
5. No changes to their representatives after that time. They may submit only one alternative at that time. (no last minute change)
6. Venue must evaluate the contestant so that they are qualified to participate. If it is found they are not qualified as stated below, the contestant will be disqualified immediately and the Venue will only be able to use the other contestant and the alternative(if has one).
